

MCC Swim 2017

Dear Parents:

MCC offers small group swim lessons for children preschool through school age. Younger preschool children must be fully toilet trained in order to be eligible to participate. Enclosed you will find the sign up sheet for your child. Our Swim Instructor, Hannah Smith, will be teaching lessons and life guarding the pool. Working with her, and at times providing a back up as needed will be Director, Kevin Fallon.

There will be two 4-week swim sessions. The first session will begin Monday, June 26th. No classes will be held on Tuesday, July 4th (Independence Day). The second session will begin Monday, July 24th. No classes will be held during the Arts Festival which is scheduled for Thursday, August 3rd. Enrollment commitments will be made on a first come first serve basis. The swim tuition must be enclosed with your registration form. We will accept cancellations and provide refunds for families whose plans change if they are made three weeks prior to the beginning of a session.

As in the past, we cannot guarantee that all classes will be held as scheduled since we have an outdoor pool and holding classes is dependent on the weather. We will schedule as many make-up classes as we can that we have cancelled due to the weather. Please note that classes will be held on overcast days and when there is a light rain. It is up to you as to whether or not you want your child to participate under these conditions. No lessons will be held in a strong rain or if thunder and lightning conditions threaten. Swim lessons are not rescheduled for children who are absent for a lesson that is held as scheduled.

Some parents will have questions about the group levels. It is our practice to have the school age children tested during the first lesson so that the instructor can form more homogeneous groups. Generally speaking, the levels are not as critical for the younger age children.

Of course, you will need to provide your child with appropriate swim wear, including a towel and flip-flops.

We're all hoping for lots of sunshine again this summer!!!

Sincerely,

Jeanne, Kevin and John
MCC Directors
